The 4 factions who have peacefully coexisted for as long as anyone can remember are now at war with each other, and the armed factionless are positioning for power. At the heart of the conflict is the status of the Divergent, those who have the characteristics of Amity... Abnegation, Erudite, and Dauntless, thus diverging from the norm. As Tris struggles with her personal demons, she quickly learns that those closest to her pose the greatest threat.
WEDNESDAY, AUGUST 12, 4pm.
PG-13, 119 min.

BULLY. This is a character-driven documentary following five kids and families over the course of a school year. Offering insight into different facets of America's bullying crisis, the stories include two families who have lost children to suicide and a mother awaiting the fate of her 14-year-old daughter, who has been incarcerated after bringing a gun on her school bus. With an intimate and often shocking glimpse into homes, classrooms, cafeterias and principals' offices, this is a powerful and inspiring film that every educator, parent and teenager should see. Stay after for light refreshments & discussion. **FRIDAY, AUGUST 28, 5pm** PG-13, 98 min.
